Description

This state data contact directory was compiled to assist in the identification of potential sources of state minority health data. The directory contains contact information by state on:

- 0 State vital and health statistics contacts;
- 0 State and territorial epidemiologist;
- 0 State minority health entities;
- 0 Center for Disease Control and Prevention (CDC) behavioral risk factory surveillance system;
- 0 CDC's youth risk behavior surveillance system;
- 0 Medicaid offices;
- 0 State substance abuse agency directors;
- 0 Nutrition, maternal and child health contacts;
- 0 Immunization data contacts;
- 0 Cancer registries; and
- 0 Childhood blood lead surveillance contacts.

To further aid in identifying state data contacts and sources, the state Internet address is listed.

User Beware

Exclusion of a state database does not necessarily mean that the database cannot provide minority health data for the state. Likewise, inclusion of a state database does not necessarily mean the database can provide minority health data for the state. Please send any corrections, deletions, or additions to this directory to:
